Dear friends in the fellowship,

Greetings from A.A India

10th June marks 81st anniversary of Alcoholics Anonymous. It is usually celebrated in many groups as Founder’s Day with organizing events. In this newsletter we have given list of international conventions held so far with venue and themes.

We received few happenings in the fellowship from few regions. We appeal again for sending news from regions for publishing in newsletters.

Thanks

ARAKU NATIONAL CONVENTION was a truly memorable one not just for us but for the entire Telugu fellowship in the states of AP and Telangana.

We are absolutely humbled and overwhelmed by the love, affection and affinity of the fellowship. More than 1200 AAs, Al-Anons and AL-Atenees have gathered in this tiny village on the east coast of India to participate in the silver jubilee of AA’s presence in these parts.

Despite being 3 hours and 130 Kms away from the nearest city, all of you have made the effort to be there. Fellow members from all corners of India, Kashmir to Kanyakumari, Gujarat to Northeast were there. These members coming from 22 states, along with a dozen international delegates have made our cup of joy overflowing.

The GSB led by our Chairman Dr. Harsh udawat was present in strength with 2 class a and 6 class b trustees present. It was also the occasion for one of the largest press conferences on the eve of the convention. It was addressed by our chairman Dr. Harsh and trustee Dr. Sridhar Goka. It was attended by more than 70 print, photo and video journalists.
