C I R C U L A R

Alcoholics Anonymous Fellowship has been helping BMC to organise awareness meetings amongst the employees of various institutions of BMC such as hospitals, conservancy chawls, etc. Many times these meetings are organised in the Municipal school premises. All A.O.(Schools) are instructed to make available the class rooms/halls for meetings organised by Alcoholics Anonymous Fellowship free of cost. The permission will be given at the level of A.O.(Schools) only in respective wards. I expect full co-operation and involvement of A.O.(Schools) in this programme.
